

Commercial Property Purchase and Sales

For our commercial clients, we offer a range of services including:

- Property Sales and Purchases
- Leases of commercial properties and their renewals, disposals and rent reviews
- Option agreements
- Land acquisition development and disposal

Whether you are experienced in handling commercial property or completely new to it all, we will guide you through the matter ensuring you are kept informed throughout the process. Where possible we will agree approximate fees at the start of the matter and outline likely timescales. For more information, please contact the office.
